TRADES & SERVICES

COLORBOND® STEEL FENCE COLOURS

Colours shown are representative only. We recommend viewing an official COLORBOND® steel sample before making your final selection.

SAWTOOTH & TRIMLINE

COLORBOND® SHEET PROFILES

Made from high quality galvanised steel with a tough powder-coated finish for long-lasting performance.

Built for Australian conditions, designed to withstand heat, rain, UV and coastal environments.

ALL JACKS

— FENCING & TRADES —

SAWTOOTH

BOLD & MODERN

Sharp, angular profile for a contemporary, architectural look.

UNIQUE ZIGZAG DESIGN

Unique zigzag design with an identical appearance on both sides – it is commonly used for “Good Neighbour” fencing because the attractive pattern is the same on both sides.

PRIVACY & STRENGTH

The deep ribs provide excellent privacy and strength.

TRIMLINE

LIGHTWEIGHT & STRONG

Trimline Profile Sheet features a lightweight, strong trapezoidal profile.

CLASSIC & VERSATILE

Trimline Profile Sheet features clean, parallel ribs with a soft, subtle design.

CLEAN FINISH

The evenly spaced ribs create a timeless and traditionally chosen look.
